FLORIDA DENTISTS MAY QUALIFY FOR UP TO A 25% LEVEL DIVIDEND!*

Practices that have been free of lost-time claims for three consecutive years (current year plus two prior years) may qualify for up to a 25% deferred level dividend in our High Performance Dividend Plan.

Insurance premium payment plans will be based on estimated annual premium with a final payment due at audit. Any level dividend, if declared, will be valued to coincide with your audit.

Eligible policies must be between \$500 and \$30,000 in estimated annual premium.

*Dividend payments are not guaranteed and may only be issued at the option of the Board of Directors of Zenith Insurance Company. Additional restrictions may apply. See relevant dividend plans for terms and conditions or contact your regional underwriting representative with any questions.
